Re: Safety Light Corporation Site Bloomsburg, Pennsylvania

Dear Mr. Steinmetz:

As you know from my previous letters, I represent The City College of New York ("CCNY"), a constituent college of The City University of New York ("CUNY"), with respect to the above-captioned site and your request for information ("RFI") relating thereto. I write to request another extension of time to comply with the request. As matters stand, our response to the RFI was due this past Monday, January 9, 2006. (My last letter in error requested an adjournment until January 8, which was this past Sunday, and I intended to write January 8.) I apologize for my failure to apply for this adjournment on or before January 9.

We are still in the process of searching for any information and/or documents that we may have from the transaction in the 1963/64 period referred to in the RFI. As I have previously mentioned, given the age of the transaction by now, this is a difficult and time-consuming task. In addition, we have just finished a lengthy holiday period during which various people were out of the office and/or on vacation and could not be contacted to gather information for our response. For these reasons and those recited in my previous letters, I request an extension of time for CCNY to respond until February 28, 2006.

I trust you will appreciate the difficulties involved in our responding thoroughly and accurately and will find this adjournment acceptable. Thank you for your consideration and cooperation.

Yours very truly,

Jo-Anne Weissbart
